**Hopper & Skycanner:** Tracks flight prices to help you book at the best rate

**blablacar:** car sharing in Europe that helps you get from city to city at extremely low prices

**Rome2Rio-** figure out transportation in Europe.

**Agoda-** cheapest accommodation website for Asia

**Hostelworld:** an app with hostels information and booking -all into one (reviews are always spot on)

**Couchsurfing:** a great way to meet locals. You stay in their house for free!

**Hotel Tonight:** app that lets you find great hotels for discounted prices the night of

**CultureTrip:** great website for restaurant recommendations

## Tips for travel:

Search on Hopper & Skycanner but purchase directly from the airline- 24 hour policy to cancel

Search & Use Facebook groups to find things to do when traveling (ie: Latinos in London)

Visa Requirements: I use the site below and select the country I'm going to be visiting. Every country has a similar site
